**Surprise screening of
ALFONSO CUARON'S
ROMA
Sunday October 14 at 6pm as part of the
Festival du nouveau cinéma**

Montréal, Tuesday, October 9, 2018 - With the 47th edition in full swing, the Festival du nouveau cinéma is proud to announce the surprise screening of **Roma**, the new film by Alfonso Cuarón (*Children of Men*, *Gravity*) on **Sunday, October 14, at 6pm at the Imperial Cinema**. The Festival is pleased to bring the new work of this celebrated Mexican director, and Academy Award®-winner in 2014 with the film *Gravity*, 17 years after he came in person to present the closing film *Y Tu Mamá También* in 2001.

After winning the Golden Lion at the last Venice Film Festival and appearing at the Toronto International Film Festival and Telluride Film Festival, **Roma** arrives in Montréal for a special cinema screening. Acclaimed by critics, the film follows Cleo (Yalitza Aparicio), a young domestic worker for a family in the middle-class neighborhood of Roma in Mexico City. Delivering an artful love letter to the women who raised him, Cuarón draws on his own childhood to create a vivid and emotional portrait of domestic strife and social hierarchy amidst political turmoil of the 1970s.

Roma will be available in theaters and on Netflix in December.
